TASTING NOTES

The wine is a beautiful dark ruby color. Traditional cab aromas of dark fruit, plum, vanilla, herbs, and earth dominate. This full-bodied wine has hearty notes of dark fruit and earth accented with spice and pepper, all framed by chewy, well integrated tannins. Drink now through 2035.

VINTAGE NOTES

One of the rare vintages where the weather cooperated and we were able to harvest all of the fruit when we wanted to instead of being pressured by impending adverse weather. Tremendous wine quality across all of the wines with very few problematic fermentations. Chemistry (pH, TA, sugars) were consistently in the proper ranges and the resulting wines are very ageable with excellent tannin structure.
