TASTING NOTES

The color is a deep black cherry, with a complex nose of black fruit, clay, vanilla, and caramel. The mouthfeel is full featuring rich flavors of ripe plum, blackberry, and an earthy minerality. A long finish and structured tannins linger well into the next sip. Drink now through 2030.

VINTAGE NOTES

One of the rare vintages where the weather cooperated and we were able to harvest all of the fruit when we wanted to instead of being pressured by impending adverse weather. Tremendous wine quality across all of the wines with very few problematic fermentations. Chemistry (pH, TA, sugars) were consistently in the proper ranges and the resulting wines are very ageable with excellent tannin structure.
